LUCAS & FRIENDS

Meet Lucas & Friends

Lucas & Friends started as a passion project to help kids by making learning fun, free, and easy to access. We create high-quality, ad-free educational apps for children aged 2 to 5. Our content has gained many views on YouTube, TikTok, books, and Giphy, reaching a large audience. As we grow, we continue to inspire and support young learners around the world.

Our Achievement

Brand Mission

At Lucas & Friends, we dream of a world where every child has access to joyful learning. Our vision is to inspire young minds through thoughtfully crafted toys, educational books, engaging videos, and interactive apps - helping children learn, grow, and imagine in fun and meaningful ways.

We're more than a brand, we're a trusted friend supporting families and educators with tools that spark creativity, build knowledge, and create joyful memories.

Together, we're making the magic of learning possible for children all around the world.
